**Dragon Boat Practice**

The sport of Dragon Boat racing has become increasingly popular in Los Angeles County through a concentrated effort by my office and employees from several County Departments to bring cultural awareness to this thriving sport. Dragon boating also continues to be a part of the County's effort to support the "Wellness Initiative" which encourages employees to become healthier and be more active.

**I, THEREFORE, MOVE,** that the Board of Supervisors waive parking fees for an average of 15 vehicles three times a week from September 7, 2016 through October 31, 2017, for a total cost of \$16,800 at the Santa Fe Dam Regional Park, excluding the cost of liability insurance, for practice by Team DPW and other Dragon Boat Racing teams.
